Fikri Raihan

Frontend Developer
Area DKI Jakarta

Ringkasan

Hi! I'm Fikri Raihan, a frontend developer who enjoys building clean and user-friendly web applications. I specialize in delivering smooth user experiences using React.js and Next.js.

I'm passionate about turning ideas into real, interactive products and constantly exploring new tools to improve my skills. I love staying up-to-date with the latest trends in frontend development.

Let's connect and share ideas!
